

Eco-Cleaning Notice

To help conserve water and reduce waste,

we provide room cleaning **once every two days** for guests staying two nights or more (starting from the morning of the third day).

For long-term stays of one week or more, cleaning is provided on **Tuesdays, Thursdays, and Saturdays**.

If you wish to have cleaning service on a day other than the scheduled days, please feel free to let the front desk know.

We are happy to assist. (Please note that free extra cleaning is available up to once per week.)

Thank you very much for your understanding and cooperation.
